I was asked recently about elearning or educational technology conferences in South Africa in 2012. My colleague Tony Carr pointed me to a global list of conferences compiled by Clayton R. Wright shared on the eLearning Technology blog. I have extracted the conferences which are in the South African region below.

August 1-3, 2012 E-Learning Update, 5th, Sandton Convention Centre, Johannesburg, South Africa. [https://sites.google.com/site/elearningatbase/](https://sites.google.com/site/elearningatbase/)

September 2-5, 2012 Design, Development and Research Conference, organized by the Cape Peninsula University of Technology, Cape Town, South Africa. [http://www.design-development-research.co.za/](http://www.design-development-research.co.za/)
