The following **A Bibliography** is a list of material relating to Constantia and Wynberg in the Cape Province.

Several hundred books and other publications, including some unpublished material, have been consulted in a number of public and other libraries. The compiler realizes that the bibliography is incomplete and that further searching may reveal relevant references. Items which provided identical or too slight information were as far as possible excluded.

The principal arrangement is by author, and for anonymous works, by **compiled by** alphabetical order, consecutively numbered.

The entries comprise author's name, title, place of publication, name of publisher, date of publication (if stated), collation **W. Wendland** and series. For many periodical articles only the date of issue could be stated as entries are obtained from clippings. Titles not seen are marked accordingly.

The compiler attempted to annotate and/or to analyse each entry. An index is appended.
